### *The House*

---

Harley Street is known worldwide as a centre of medical excellence and 10 HARLEY STREET guards its reputation jealously - the house has been offering medical facilities for over thirty years and the name is known throughout the profession.

This House is a Grade II listed Georgian property, built in 1827, and is situated close to Cavendish Square. Each room is beautifully proportioned and some have magnificent moulded ceilings - all this helps to create the impression you need - well established and totally professional.
